

Information on the Heavy Traffic Class 4 Course

You must get your Learner Licence at the A/A or VTNZ before you come to us. To do that you must fill in a DL 1 form at the local A/A or VTNZ, take your licence and a Medical if you have not had one for your licence in the last 5 years. (You do not have to sit any theory for this at the A/A or VTNZ) Their will be a charge of \$48.20 for this.

The Class 4 Licence can be done in 1 day if you have evidence of good logbook skills and have done Unit 24089. Otherwise its a 2 day

Course. The 1st day will consist of training and the filling out of 1 work book on your

Class 4 Licence and then you will sit the assessment test. If you are only doing 1 day, you will then be taken for a pre assessment drive which can take from 15mins to 1 hour depending on your experience. After that the assessor will take you for a practical drive.

Once you are competent on the Assessments and the Drive you will be given your Class 4

Licence Certificate to take to the A/A or VTNZ. If you have to do the Logbook Unit Standard there will be a 2nd day, you will be put through the training and work book and then there will be an assessment test.

Note:

If you have evidence of good logbook skills and have done Unit Standard 24089 you only need to do the 1 day course which includes a training on the licence, pre assessment drive and assessment .

Otherwise its a 2 day course.

If you would like to know more information about the Heavy Traffic Class 4 Licence, please don't hesitate to contact the office for further questions.
